

## Godly Play® Foundation

There are a lot of things you can learn from a lecture, but Godly Play is best learned from the inside out. And this is what we do at Godly Play Foundation Core Training.

Blurring the lines between teacher and student, you will experience and learn Godly Play stories in a collegial, prayerful setting. Godly Play Foundation's talented Trainers will deepen your understanding of children's spirituality while guiding you on a personal journey of wonder. By exploring the fundamental foundations of a Godly Play classroom with us at an accredited training event, you will improve your teaching skills, learn how to build a classroom of your own, and leave spiritually refreshed.

Prior experience with Godly Play is helpful but not absolutely necessary. Participants are asked to read [\*Teaching Godly Play, How to Mentor the Spiritual Development of Children\*](#) by Jerome W. Berryman before attending the training. A Godly Play Foundation "Godly Play Teacher Certificate" will be awarded upon completion of the training.
