Zach	Goodyear	rentals@sewane esideways.com	http://www.SewaneeSideways.com	615-268-5033	3 BR Home	121 Palmetto Ave Sewanee, TN 37375	<p>Sideways is a rustic, quaint little 3 bedroom, 1 bath house right smack in the middle of campus. It's a 115 year old gem of a cottage whose poor old bones just aren't as straight as they once were. While a bit crooked it may be, it definitely won't let you down when it comes to offering you relaxation on a budget and a great location to reconnect with alumni and friends!</p> <p>It's located within walking distance to Stirling's and Shenanigan's, as well as countless hiking trails, and the golf course and tennis courts. It is NOT the Hilton. It's far from it. This is an old house that is used as a vacation home on most weekends by the owners (Sewanee Alumni) and their spouses and looks more like a casual old open air vacation cabin than a fancy bed and breakfast, so please set your expectations accordingly. Think crooked floors, drafty windows, but with a great set of porches. Don't get us wrong, it's cute, it's just not fancy. :) Please visit www.SewaneeSideways.com for pricing informa</p>
