

2017 Curriculum Updates: *The Complete Guide to Godly Play, Vol 2*

NEW PRACTICE

- *The Holy Bible* – Update your Godly Play room by adding a presentation Bible, which is placed on a bookstand on the transition shelf between the Old Testament and New Testament Sacred Stories. Before telling the story each week, show the circle where the story comes from in the Holy Bible. Include blank bookmarks on the art response shelf so that children can decorate a bookmark for the passage that will stay in the room’s presentation Bible. Be sure to demonstrate the bookmark process once or twice.

NEW STORY

- “The Holy Bible” story is a new story that should be told to your circles yearly. Deepening the theology of the curriculum’s layout, this new story supports the new weekly practice of showing the children where each story appears in the Bible and the possibility for making bookmarks during Work Time.
